All required documents shall be enclosed to the General bid proforma duly authenticated and serially numbered and page marked.
24. The tenders or the bids can be sent by Regd. with AD post or courier as well. However, the authorities shall not be responsible for the postal and other delays in receipt of bids.
25. If the last date for receipt of the tender/bid turns out to be a holiday, it will automatically be extended to next working day.
26. The tender calling authority shall make arrangements in his office for issuing a written acknowledgement, under proper seal and signature, of the filled in tenders, provided those are submitted on or before the due date. The acknowledgement shall be issued even if the Tenders are dropped in a sealed box. The acknowledgement receipt shall mention, among others, the tender call notice number.
27. A bid submitted cannot be withdrawn. The bidder or his authorized representative (one person only) will be allowed to be present at the time of opening of tenders. They will not participate in the discussions. Clarifications sought, if any may be provided by them.
28. All or any of the tenders (or bids) submitted can be rejected without assigning any reason thereof. No claim, whatsoever, shall be admissible for the alleged loss/damage suffered by the bidders on account of such rejections.
29. The Tenders/bids received in the prescribed time shall be opened by the tender committee at the prescribed date time and place. Any bid found incorrect or incomplete in any manner would be summarily rejected by the said committee.
30. The “Technical” bids shall be opened and scrutinized by the Technical Committee, only in respect of the bidders who have been found to fulfil all the prescribed criteria and conditions of this tender document other than technical specifications of the products. Only branded products shall be accepted unless otherwise mentioned in special conditions of the contract.
31. All the products, failing to fulfil the prescribed technical specifications, shall be rejected. Decision of the Technical Committee in this respect shall be final and binding. A bidder can improve the technical specifications of the product offered before the opening of “Financial bid” Decision of the Technical Committee on whether or not the revised specification is an improvement, shall be final. Improvement in the technical specification offered as above, may be accepted or not at the discretion of the tender calling authority. However, no preference or extra payment shall be admissible for superior technical specifications or quality or the like.

32. The bidder shall have to submit in separate paper mentioning complied or not complied against each column of the technical specification given in the tender document.

33. Not withstanding an offered product meeting the prescribed technical specifications, it may be rejected, if it has not been tried and tested or used in Odisha Police with satisfaction. It

may also be rejected if the bidder fails to successfully demonstrate its product before the Technical Committee.

34. "Financial bids" shall be opened only in those cases, where one or more of the offered products have fulfilled the prescribed technical specifications. All financial documents like Registration Certificate issued under VAT, CST and IT Acts, VAT clearance Certificate, IT and ST returns, Audited Balance sheet, Trading a/c and P/L a/c shall be verified at the time of opening of financial bids.

35. All the prices quoted shall be F.O.R., destination i.e. Cuttack which means that prices shall include the cost of delivery at destination if nothing otherwise is mentioned in the Special condition of contract.

36. The Purchase Committee shall discuss and deliberate on the past performance, experience, production capacity, financial strength etc. of the bidders/suppliers as recommended by the Technical Committee, besides the rates quoted by them and select the L-I bid in most transparent manner, taking into consideration the relevant provisions of OGFR and Circulars and notifications issued by the Government of Odisha from time to time, so as to ensure that the purchases are effected in most prudent and economical manner, without compromising the prescribed quality, from the most eligible bidder.

37. Financial negotiations with firms other than the lowest bidder shall not be held without obtaining the prior approval of Government.

38. The authorities are not bound to accept the lowest financial bid.

39. The order for supply may be placed on the successful bidders but the technical specifications (or quality requirements) for the purpose of supply shall be those, which were offered and accepted by the Technical Committee and not those specified in the tender document. It shall not be necessary for the office of the D.G. & IG of police to place a single order for the entire requirement. Order for the same item but on identical terms and conditions may be placed by different wings of the office such that the total orders placed shall roughly correspond to the quantity mentioned in the tender document. The bills for payment shall be submitted, accordingly, on different wings placing the order.

40 On delivery, the supplies or products shall be inspected to verify the quantity and to see whether those are in accordance with the technical specifications (or quality requirements) for which the order was placed. If it turns out to be otherwise, the acceptance of delivery shall be refused at the risk and responsibility of the supplier. Further the articles found damaged shall not be counted as accepted until repaired or replaced to the satisfaction of the authorities.

41. Short/ Part deliveries may not be accepted. All the items ordered must be supplied in full, for claiming even the part payment.

42. All the transit risk shall be the responsibility of the supplier.

43. (a) No Way Bill, C/D Forms will be supplied by the indenter to the suppliers of outside Odisha for supply of goods.
